- ★ Match Days – Practise matches, inter-academy matches at regular basis.
- ★ Total focus on grass-root development with progressive coaching for each age category.
- ★ Pathway for children to become professional football players
- ★ Evaluations & feedbacks at regular intervals.
- ★ Opportunity for talented students to get scouted for summer camps in Europe, and thereafter, if found suitable, for long term programs along with schooling.

ABOUT ERIC BENNY FOOTBALL ACADEMY

Eric Benny Football Academy (EBFA), a division of Eric Benny Sports Management, is a unique way for coaching young talented footballers (4 - 18 years) by UEFA trained and certified coaches. EBFA trains potential footballers at the grass root level and make them aspire to play for Clubs/ State/ Nation. EBFA is backed by one of the biggest names of international football academy Deutsches Fußball Internat (DFI) - Germany.

From Guidance to Goal – A Football Dream Come True TESTIMONIALS

My 9 year old boy was scouted by EBSM for a football training program in Germany. Training from international coaches, state of the art equipment, global exposure, constant mentoring & monitoring is the hallmark of EBSM. Thanks to Eric Benny and his team for making this happen and for guiding my son to his goal.

- Sandeep Kadam, father of Yuvraj Kadam
